THE CLINTON BODY-COUNT

NEW! Updated for Hillary's 2016 run!

My thanks to everyone who took the time to write and suggest corrections. Many changes have been made to this list based on the info sent in and more will be added in the very near future.

In compiling this list I have tried to find as much photographic evidence as I can, but surprisingly (or maybe not so surprisingly) these people in many cases seem to have been erased from the internet!

The following is a partial list of a large number of persons who have recently met their demise in suspicious circumstances who appear to have some connection to the Clintons. I stress partial because new additions are coming in faster than closets can be found to hide the bodies in!

Don Adams

Died January 7, 1997

Long before Whitewater's land flips made the Clinton's circle of friends rich, many of the same players had been involved in a similar land swindle in Branson. Don Adams was a lawyer in Arkansas who got involved trying to help the people who were being swindled out of their life savings.
The successor attorney for Don left for parts unknown about a year after Don was killed.

---

**John Ashe**

Former United Nations General Assembly President

Died: June 22, 2016

Died in alleged accident when a barbell dropped on his throat, crushing his larynx.

Ashe was about to begin trial for a bribery charge involving Chinese businessman Ng Lap Seng, who had been implicated but not charged in the 1996 “China-gate” scandal for funneling illegal donations to Bill Clinton’s re-election fund through Arkansas restaurant owner Charlie Trie. Ashe
was supposed to testify about Hillary's links to Ng Lap Seng later the same day he died.

Gandy Baugh
Attorney representing Mr. Lassater in a case concerning alleged financial misconduct.
Died: January 8, 1994

Died in an alleged suicide by jumping out of a window of a multi-story building. – Mr. Lassater was a close associate of Gov. Clinton, and was later indicted on drug related charges, among other things. Baugh’s law partner was “suicided” one month later on February 9, 1994.

Admiral Jeremy Boorda
Chief of Naval Operations
Died May 16th, 1996
Boorda supposedly went home for lunch and decided to shoot himself in the chest twice, using two guns, rather than be interviewed by Newsweek magazine that afternoon.

Explanations for Boorda’s suicide focused on a claim that he was embarrassed over two “Valor” pins he was not authorized to wear.

Former CNO Admiral Elmo Zumwalt said on the May 17 Larry King Live show that Admiral Boorda was not only authorized to wear the “V” on his medals, but that had personally authorized him to do so when he was serving as Commander Naval Forces Vietnam.

When it turned out that Boorda was entitled to those decorations, blame shifted to stresses over the down sizing of the Navy, and even (Washington Times) the adverse affect that feminism was having on the Navy’s morale.

Boorda supposedly left two suicide notes, neither of which was released.

On Thursday, June 25, 1998, Navy Secretary John Dalton formally acknowledged that Boorda had been entitled to wear the decorations.

So, like Brown, and like Foster, the proximate cause for the “suicide” turns out to be fraudulent.

**Ron Brown**

*Former Chairman, DNC; Commerce Secretary*

Died: May 3, 1996

Ron Brown died along with 39 other people when the T–43 (a converted 737 used by the Air Force) carrying the group on a trip to Bosnia crashed while approaching the Dubrovnik airport. On the verge of being indicted and having stated publicly his willingness to make a deal with prosecutors, Ron Brown’s death brought to an end his ability to testify. The very next day, Ron Brown’s personal lawyer was murdered in a drive-by shooting. A few days later, the Air Traffic Controller who had been in charge during the aircraft crash was found dead and declared a suicide.

On leaving Ron Brown’s funeral, President Bill Clinton was seen laughing and joking ... until he saw the camera, then he went into his sad act!
James Bunch
Influential Texan

Exact date of death unknown

Died from a gunshot "suicide", similar to Vince Foster. - Was discovered to have a "little black book" containing the names of many influential persons in Texas and Arkansas who visited certain prostitutes.

Eric Butera
Witness

Died: December 4, 1997

An informant who came forward offering information regarding the murder of White House intern Mary Mahoney. He was then sent into a known crack house to make an undercover buy for the police and was beaten to death. His mother was awarded $100 million in compensation, but a Federal Judge later slashed it to just $1 million.

Caetano Carani
Witness to a shooting near the White House.

Died: November 11, 1994

Suffered an unknown infection just before he was to testify. Death attributed to "apparent" food poisoning.
Berta Caceres

Human Rights Activist

Died: March 3, 2016

Killed while sleeping in her home in La Esperanza, Honduras. Berta Caceres had named Hillary Clinton as responsible for the Honduran coup which toppled democratically elected President Manuel Zelaya. Since the coup, Honduras has become one of the most violent places in the world. Growing awareness of Hillary’s role in Honduras became a serious liability during Hillary’s 2016 campaign.

William Colby

Director of Central Intelligence (ret)

Died: April 27(?), 1996

William Colby had been the DCI from 1973 to 1976 under Nixon and Ford.

At age 76, Colby had found a new career and had just started writing for Strategic Investment at the time of his death. This had worried many insiders in the intelligence community who felt that Colby had already divulged too many of the CIA’s secrets in the preceding years. Indeed, his dismissal by Ford because of his over-cooperation with Congressional investigations into CIA wrongdoing. It was Colby who had revealed to Congress the plans to kill Fidel Castro, the spying on American citizens (in direct violation of the CIA charter) and the conducting of biological tests
by the CIA on unsuspecting citizens. George Bush replaced him.

According to the original CNN report, Colby was reported missing by neighbors who "recovered" his canoe, by one story from under the dock at Colby's house, by another report, 1/4 of a mile downstream from Colby's home.

Colby was by all report a methodical, tidy man, yet police found his home unlocked, his computer on, and a partly eaten dinner on the table. The official story is that Colby just put down his fork and decided to drop everything and go canoing.

Colby at 76 was still a world-traveler and consultant to many corporations. He recently became an editor of an important financial newsletter, "Strategic Investment," which covered the Vince Foster "suicide" in detail. Its editors hired three renowned handwriting experts to investigate Foster's suicide note, which hadn't been found when his briefcase was first searched, but later materialized, torn into pieces, with no fingerprints on any of the pieces. Upon comparing this document with others of Foster's writings, these experts declared it was a forgery, and a not very good one at that.

Colby had old enemies as well as new, with plenty of motives for his extermination. He was in charge of the infamous Operation Phoenix during the Vietnam War, in which more than 20,000 South Vietnamese citizens -- supposedly Vietcong sympathizers -- were rounded up, tortured and executed. In the 1970s he opened some of the secrets of the CIA to Congress: "Colby insisted on going public about the agency's role in tapping the telephones and opening the mail of Americans; plotting the assassination of Fidel Castro, and using human guinea pigs for mind-control experiments involving LSD," the Times reports.

On Monday, May 6th, Colby's body was found just 20 yards from where his canoe had been recovered, in an area that had been thoroughly searched several times by helicopters and search teams.

Most notable about the body was the absence of a life jacket, which according to his wife, Colby always wore on the water.

As has since been proven to have happened in the JFK Jr. case false stories were being deliberately planted in the media, including one quoting Mrs. Colby herself as having been told by William Colby by phone that he was going canoeing. Mrs. Colby denied any such story. The week that he died, Colby was scheduled to meet with the Disclosure Project.

**Five Navy aviators**

Clinton bodyguards/escorts

The crash occurred shortly after the plane was "waved off" from a landing attempt on the Carrier Roosevelt, due to a "foul deck". - All five men had been Clinton's escorts during Clinton's visit to the Roosevelt 2 weeks prior. Three other men, who had flown Clinton to the Roosevelt for that visit also died later in a helicopter crash.

---

**Hershell Friday**

Attorney and Clinton fund raiser.

Died: March 1, 1994

Killed when his plane exploded. Cause unknown.
Vincent Foster

Deputy White House Counsel

Died: July 21, 1993

Found dead in Ft. Marcy Park in Washington, DC, of a supposed suicide by gunshot. A suicide note was supposedly found a few days later, torn into several pieces, in his briefcase, after his office had been entered by White House staff and materials removed. The "suicide" note, (leaked despite official efforts to keep it from view) has since been revealed to be a forgery.

The gun which he supposedly used to kill himself was reported to be still in his hand, but the person who first found the body reports that there was no gun at that time. Many irregularities surround the death and the investigation of it. For one thing, neither Foster's fingerprints or blood were on the gun he supposedly inserted into his mouth and fired. There was no blood on Foster's hands.

Foster was also from Hope, Ark., like Clinton, and also worked for the Rose Law firm. Foster had intimate knowledge of the Clintons' personal finances. Foster was involved in an investigation of their finances, and reportedly made a phone call to Hillary Clinton, in Los Angeles, just hours before his death. Foster had been called to testify to Congress about the records Hillary refused to turn over. Another possible motive for the murder relates to the Clinton Presidential Blind Trust, being prepared by Foster, but six months late. Testimony during the Whitewater hearings suggested the trust was fraudulent, with the Clintons retaining control over much of their finances, in order to profits from inside information.

Recently, the signed report of M.E. Dr. Donald Haut was uncovered at the National Archives, proving that Foster had a previously unreported gunshot wound to his neck.

Finally, an FBI memo surfaced dated the day after the date of the official autopsy, in which the autopsist informed the FBI that there was NO exit wound.
Cpl Eric S. Fox
Died: March 22, 1999
Crewman for Marine One, the Presidential Helicopter. Shot in the head, and declared a suicide.

SSgt. Michael R. York, Loadmaster

Sr. Airman Billy R. Ogston, Crew Chief

Airman Thomas A. Stevens, Loadmaster.

Died: August 18, 1996
Killed when the C-130 carrying the Presidential Limos crashed near Jackson Hole, Wyoming. All nine people on board a White House support plane were killed late Saturday (10:48pm MDT), when it crashed into Sheep Mountain (also known as Sleeping Indian Mountain) near Jackson Hole Wyoming. The aircraft was en route from Jackson Hole to John F. Kennedy International airport. The Air Force Lockheed Martin C-130 Hercules transport aircraft was carrying a presidential vehicle and many pieces of luggage, all related to the president's vacation (50th birthday celebration in the Grand Tetons). President Clinton said Sunday afternoon that he was told the pilot was attempting to return to the Jackson Hole airport when it crashed (CNN news report). The Air Force reported finding no evidence of an in-flight mechanical emergency after examining the flight data and flight voice recorders and could not find evidence that the pilot radioed mechanical trouble before crashing into the mountainside as reported by the White House. The victims included 8 crew members and one Secret Service agent. The aircraft and crew were stationed out of Dyess Air Force Base.

Four Marine Pilots

Marine One Presidential Helicopter pilots.

Died: April 8, 2000
(names not determined) – all died (with 15 others) in a crash of a V-22 Osprey near Tucson. Witnesses reported the craft burst into flames in mid-air, then crashed.

Kathy Ferguson

Witness

Died: May 10, 1994
Kathy Ferguson supposedly committed “suicide” May 10, 1994 when she shot herself in her living room. Kathy’s ex husband was Danny Ferguson, who was the Arkansas trooper who said he escorted Paula Jones to Bill Clinton’s hotel room. Kathy often told friends and co-workers about how Bill had gotten Danny to bring women to him and stand watch while they had sex. Danny Ferguson was a co-defendant along with Bill Clinton in Paula Corbin Jones’s sexual harassment suit. Kathy Ferguson was a corroborating witness for Ms. Jones.

Oddly, next to Kathy’s body were her packed bags, as if she was expecting to be going
Duane Garrett

Radio Host and Al Gore fund raiser.

Died: 7/26/95

A lawyer and a talk show host for KGO-AM in San Francisco, Duane was the campaign finance chairman for Diane Feinstein's run for the senate, and was a friend and fundraiser for Al Gore.

According to Garrett's lawyer, Garrett was under investigation for defrauding investors in Garrett's failed sports memorabilia venture. There was talk of a deal to evade prosecution. On July 26th, Garrett canceled an afternoon meeting with his lawyer because he had to meet some people at the San Francisco airport.

Three hours later he was found floating in the bay under the Golden Gate Bridge.

Carlos Ghigliotti

Thermal Imaging Expert

Died: April 28, 2000

Carlos Ghigliotti: 42, was found dead in his home just outside of Washington D.C. There was no sign of a break-in or struggle at the firm of Infrared Technology where the badly decomposed body of Ghigliotti was found. Ghigliotti had not been seen for several weeks.

Ghigliotti, a thermal imaging analyst hired by the House Government Reform Committee to review tape of the siege at Waco, Texas, said he determined the FBI fired shots on April 19, 1993. The FBI has explained the light bursts on infrared footage as reflections of sun rays on shards of glass or other debris that littered the scene.

Judi Gibbs

Penthouse model, and call girl

Died: January 3, 1986

Judi Gibbs (along with her sister Sharon) appeared in the December 1979 issue of Penthouse, and later worked at a bordello in Fordyce, near Mena, Arkansas which also ran a blackmail operation with photos taken of the customers with their girls. According to the Gibbs family, Bill Clinton was a regular customer of Judi, and there were photos of him having sex with her that threatened his Presidential campaign! While cooperating with law enforcement in a drug investigation, Judi died when her house burned down. No cause for the fire was found. Judy had called the fire...
department to report the fire, but her body was found on the floor in front of a ground floor window, near a door that would have allowed her escape. In a sworn statement, Clinton bodyguard Barry Spivey related how he had been with the governor when the governor’s plane had flown over Judi Gibb’s house and Clinton had shown Judi’s penthouse photos on the plane and pointed out the house.

Paula Grober

Clinton’s speech interpreter for the deaf.

Died: December 9, 1992

Died in a one-car accident with no known witnesses. Her body was thrown 33 feet from the car, indicating a very high speed. A very attractive women, Paula traveled extensively with Clinton from 1978 until her death. Clinton, through a spokesman, called Grober’s death “a great personal loss.” He also said, “Hillary and I extend our sincere sympathy to Paula's family. I had the privilege of working with her over many years.”

Staff Sgt. Brian Haney

Marine Sgt. Tim Sabel

Maj. William Barkley

Capt. Scott Reynolds

Clinton bodyguards

Died: May 19, 1993

All four men died when their helicopter crashed in the woods near Quantico, Va. – Reporters were barred from the site, and the head of the fire department responding to the crash described it by saying, “Security was tight,” with “lots of Marines with guns.” The Marines seized a videotape made by a firefighter. All four men had escorted Clinton on his flight to the carrier Roosevelt shortly before their deaths.

Stanley Heard

Chairman, National Chiropractic Health Care Advisory Committee

Steve Dickson

Counsel to Mr. Heard

Died: September 10, 1993

Both died in a plane crash outside Dulles airport, after their aircraft, rented after Heard's personal craft developed troubles, crashed while attempting an emergency landing after reporting a fire on board. Let's repeat that. They took off in a plane. It developed problems. They got it back to the airport. They rented a new plane. They took off in the new rented plane and IT developed a problem. On the way back to the airport it crashed. – Heard, in addition to serving on Clinton's advisory council, also personally treated Clinton's mother, stepfather, and brother.

John Hillyer

NBC and freelance cameraman

Died: 1996

Hillyer passed away in a Dentist's office from unknown causes, despite being very health-conscious and in good physical condition. Declared a heart attack. Was working on an investigation into Mena and assisted with the “Circle of Power,” and “Clinton Chronicles.” Some time after his passing, his widow recalled her husband saying he felt he could be in danger.
Stanley Huggins
Partner in Memphis law firm
Died: June 23, 1994
Investigating Madison Guaranty. Reported to have succumbed to viral pneumonia (See attack on Russel Welch). His 300-page report has never been released. Stanley had been at a Cotton Carnival Party on a Friday night. He was supposed to escort his wife all week during the 7 day event, but told her he couldn't as something important was going down. He has recently left the law firm in Little Rock where Hillary C worked and set up a small office in Memphis. On that Friday night I saw Stan and spoke to him briefly. He seemed extremely nervous & about to jump out of his skin. The word circulated throughout the party that he had been involved in some secretive issue that was under the microscope. Soon after that we were told by his wife that he had flown up to a NE University to give a speech on a Saturday. He checked into the provided dorm room, by the university employees that said he looked fine. When they called up to his room later in the day he didn't answer the phone, so they went to check on him and found him dead. The death was declared due to viral pneumonia. His wife has tried to get the hospital records, but they were sealed by Janet Reno under presidential orders of Clinton. Over that weekend his Memphis office was broken into and the only noticeable thing taken were his files. His 300 page report was never released.

Sandy Hume
Journalist
Died: February 2, 1998
On Sunday, February 22nd, 1998, Sandy Hume, the 28-year-old son of journalist Britt Hume, was reportedly found dead in his Arlington, Virginia home. Aside from the statement that this was an "apparent" suicide, there remains in place a total media blackout on this story, possibly out of concern that the actual facts will not withstand public scrutiny. Indeed, it was reported in Associated Press that the Arlington Police were not responding to any inquiries.

Hume was a reporter for The Hill magazine, newspaper about Congress for Congress, and had broken a major story in 1997 regarding the friction between House Speaker Newt Gingrich and a faction led by Representative Paxon (who announced his resignation just 24 hours after Hume's death).

In addition, Sandy Hume had just joined the staff at Fox TV News and was just three weeks into a job that represented the pinnacle of his young career. Oddly enough, aside from echoing the one Associated Press story, the Fox News website has ignored the death of its newest commentator.

Sandy already had a reputation for getting the story that nobody else wanted to look at. It is worth noting that his death came hard on the heels of reports that "a reporter" was about to break a story confirming the White House's use of investigators to dig up dirt on critics.

It has recently been confirmed that the man who performed the as-yet-unreleased autopsy is none other than Dr. James C. Beyer, who has a record of concealing homicides behind a ruling of suicide.

Kenneth Starr's "suicidologist" Dr. Alan L. Berman has waded in again and as he did in the Foster death ruled it "100% certain that this is a suicide and can be nothing else".
Kevin Ives & Don Henry

Witnesses

Died: August 23, 1987

Initial cause of death was claimed to be the result of passing out on a railroad track in Arkansas after smoking twenty marijuana cigarettes. This ruling was reported by the State medical examiner Fahmy Malak, and supported by Sheriff Jim Steed, whose “thorough” investigation of the crime scene left one of the boy's foot sitting in the open for two days! In April 1988, Kevin's body was exhumed, and another autopsy was performed, this one by Atlanta medical examiner Dr. Joseph Burton who discovered that Kevin died from a crushed skull prior to being placed on the tracks. Don Henry's body was exhumed and discovered to have been stabbed in the back prior to being placed on the tracks. Governor Bill Clinton excused Fahmy Malek's "errors" saying that Malek was "tired and stressed out." Reports indicate that Ives & Henry might have stumbled upon part of the Mena drug operation, specifically a drop site in the area of Bauxite and Alexander, Arkansas. The police chief of Alexander, John Brown, acknowledged he obtained a taped confession from one of the murderers of the two boys, which was suppressed at the request of the FBI!

Jean Duffey headed up Arkansas' 7th District drug task force in 1990. She was never allowed to conduct a thorough investigation of drug running in Mena or any possible connection to the train deaths. Her task force and a federal grand jury were shut down after they started examining corruption involving public officials.

Dan Harmon was a local government official, the prosecuting attorney for Saline, Grant, and Hot Springs counties in 1979 and 1980 and then again from 1991 through 1996. He was convicted in June of 1997 on drug, racketeering, and extortion charges and has served eight years in prison. In January 1991, long before his drug offenses became public knowledge, Harmon convinced a judge to subpoena evidence obtained by Jean Duffey's task force — evidence gathered against him and other public officials. Ms. Duffey refused to honor the subpoena, fearing for the lives of witnesses (many of whom did turn up dead) and fled the state when a warrant was issued for her arrest.

Gary Johnson

Witness

Attacked: June 26th, 1992

Beaten near death and left for dead. Someone in the Clinton organization sent 3 goons to beat up and almost murder Gary Johnson, who was Gennifer Flowers’ neighbor. Gary Johnson had a security camera installed at his condominium and by chance he had many tapes of Bill entering Gennifer’s condominium while governor and married to Hillary). Gary's tapes were taken.
John F. Kennedy Jr.

Potential Candidate for Senator from New York.

Died: July 16, 1999

Within days of an NBC Dateline story hinting at a possible run for the Senate seat currently assumed to be the property of Hillary Clinton, JFK Jr. and his wife and sister-in-law died when the Piper Saratoga II TC JFK Jr. was piloting crashed in to the ocean just short of Martha's Vineyard. The NEWSWEEK issue for the following Monday, which NBC Dateline had reported would announce JFK Jr's candidacy, was yanked from distributors and destroyed.

Even before the wreckage of the plane had been found, the media was saturated with news stories declaring the weather to have been very hazy (the weather was VFR conditions, and 8 mile visibility, plus weather radar and witnesses on Martha's Vineyard all reported clear skies) making it impossible for JFK Jr. to know which way was up (he also had working instruments in the aircraft).

As was the case when TWA 800 was shot down, the United States Navy took control of the crash site, ordering an unprecedented 5 mile wide no-fly zone while the wreckage of the aircraft was recovered and taken to a military base.

Reporters Cindy Adams and Andrew Goldman have documented the planting of false information about JFK Jr. in the media in the days following his crash. The feeding of false information to the press proves there is a cover-up. The existence of a cover-up is why JFK Jr. gets an entry on the Dead Bodies List.

According to some reports, Mrs. Kennedy was pregnant.

Jordan Kettleson

Witness to the Train Deaths

Died: June 1990

Kettleson had information on the Ives & Henry deaths. He was found shot to death in the front seat of his pickup.

Johnny Franklin Lawhon, Jr.

Witness

Died: March 29, 1998

In the spring of 1997, a tornado ripped through some junked cars at Johnny's transmission and opened up the trunk of a car that proved to have a box of Whitewater records in it, including a copy of a $27,000 cashier's check drawn on Madison and payable to Bill Clinton. Johnny Franklin
Lawhon, Sr. realized what he was looking at and turned the box of documents over to the FBI.

According to police, Lawhon Jr. (the son) and a friend hit a telephone pole at a high rate of speed after their car had become airborne and left the road. They had driven less than 1/4 of a mile at the time of the accident.

This manner of death is similar to the single vehicle accidents that killed Paula Grober, and Neil Moody.

Mary 'Caity' Mahoney

White House Intern

Died: July 1997

An attractive 25-year-old woman, Mary was a former White House Intern for Bill Clinton working as the Assistant Manager at a Starbucks Coffee shop in Georgetown.
In the pre-trial publicity surrounding Paula Jones lawsuit Mike Isikoff had dropped hints that a "former White House staffer" with the initial "M" was about to go public with her story of sexual harassment at 1600 Pennsylvania. Just days later, gunmen entered the Starbucks while the crew was cleaning up after closing.

Mary's two associates, Aaron Goodrich, 18 and Emory Evans, 25, were taken to a room and shot. Mary herself had five bullets in her, from at least two different guns, most likely with silencers. A total of ten shots were fired; none of them heard by neighbors in the densely populated Georgetown section.

Mary was shot in the chest, her face, and in the back of the head. Someone wanted her very dead. Or to send a message.

Even though more than $4000 remained in the store, the police have categorized the triple murder as a robbery, even as they acknowledge the "execution style" killings.

There was no sign of forced entry, which means that either Mary or one of the employees let the killers in (at least one hour after closing). That means that the killers included at least one person known to the victims.

One report is that the Starbucks was still locked when the bodies were found the next morning. Robbers don't bother locking doors.

George Stephenopolis, Monica Lewinsky, and Chelsea Clinton were all regulars at the Starbucks.

Carl Cooper, the man charged with the Starbucks' murders on the basis of a confession has now recanted that confession, claiming that it was obtained under coercion (not unlike that of James Earl Ray).

A affidavit filed by NOAA's Sonya Stewart, confirms that the Department of Commerce was selling trade mission seats in exchange for campaign donations, and illegally blocking FOIA requests. Named in the affidavit as the White House staffer directly connected to this obstruction was Doris Matsui. Doris's assigned intern during this period was Mary Mahoney.
Lieutenant General David J. McCloud

Died: July 26, 1998

On July 26, 1998, McCloud died when his YAK-54 aerobatic plane crashed, allegedly from sabotage. McCloud was one of several flag officers (including Admiral Boorda) who had assembled evidence against President Bill Clinton, leading to his arrest.

Christine M. Mirzayan

White House Intern

Died: August 1, 1998

On August 1, 1998, yet another young female government intern with the initial "M", Christine M. Mirzayan, was murdered, beaten to death with a heavy object near Georgetown University.

Eventually, Mike Isikoff's "former White House staffer" finally surfaced and its NOT Mary Mahoney, or Christine M. Mirzayan, but Monica Lewinsky. If the killing of Mary Mahoney and Christine M. Mirzayan was to silence a "bimbo eruption", they got the wrong woman! (Just how many of the interns was Clinton getting oral sex from anyway??)

Florence Martin

Accountant subcontracting to CIA

Related to the Barry Seal case. Dead of three gunshot wounds to the head. At the time of her death she had the account numbers and PIN for a bank account in the Cayman's in the name of Barry Seal which held 1.4 million dollars. Immediately following her death, the money was moved to someplace in the Virgin Islands.

Gordon Matteson

Clinton associate.

Shot in the head. Declared a suicide.

James McDougal

Crook

Died: March 8, 1998

Jim McDougal was serving his 3-year sentence for bank fraud at the Fort Worth Federal Medical Center in Texas, a facility operated by the federal Bureau of Prisons for inmates who need medical attention.

Just prior to another round of testimony before Kenneth Starr’s grand jury, and while the reporters who were covering that story were two hours away covering a standoff situation in Waco that just “went away”, Jim McDougal suffered a heart attack while in solitary confinement. Left alone for too long, when Jim McDougal was taken out of solitary, instead of attempting to defibrillate his heart with equipment on hand at the facility, he was driven over to John Peter Smith hospital. Not the closest hospital to the Fort Worth Federal Medical Center, John Peter Smith hospital is a welfare hospital, where (in the words of one local), “They let interns practice on deadbeats.”

NEW! The Fort Worth Star-Telegram acquired the official report of the McDougal death via a Freedom Of Information Act request, and report that doctors ignored McDougal’s signs of imminent death.

Keith McKaskle

Witness to the Train Deaths

Died November 10, 1988

Keith had information on the Mena drug running and the Henry & Ives murders. Stabbed 113 times. He had told his family someone was out to kill him and told them “good bye”.

Charles Meissner

Assistant Secretary of Commerce for International Economic Policy

Died: May 3, 1996

John Huang was placed on a Commerce Department contract that allowed him to retain his security clearance by Charles Meissner. Charles Meissner died on the plane with Ron Brown.

James "Dewey" Milam

Witness to Mena drug operation and Henry/Ives murders

Died: 1989

Milam was decapitated. Clinton’s notorious state Medical examiner, Fahmy Malak, initially ruled death due to an ulcer, claiming that the victim’s small dog had eaten the head, which was later recovered from a trash bin several blocks away.

Witness

Died: October 12, 1997

Ron Miller, investigated by authorities over the sale of his company, Gage Corp. to Dynamic Energy Resources, Inc. was the man who tape recorded Gene and Nora Lum and turned those tapes (and other records) over to congressional oversight investigators. The Lums were sentenced to prison for campaign finance violations, using "straw donors" to conceal the size of their contributions to various candidates. Indeed, Dynamic Energy Resources, Inc. had hired Ron Brown's son Michael solely for the purpose of funneling $60,000 through him to the Commerce Secretary, according to Nolanda Hill's testimony.

Reportedly a healthy man, Ron suddenly took ill on October 3rd, and steadily worsened until his death 9 days later. (This pattern fits Ricin poisoning.) Owing to the strangeness of the illness, doctors at the Integris Baptist Medical Center referred the matter to the Oklahoma State Medical Examiner's Office.

The Oklahoma State Medical Examiner's Office promptly ran tests on samples of Ron Miller's blood, but has refused to release the results or even to confirm that the tests were ever completed.

Charles Wilbourne Miller

Vice President and Board Member for Alltel

Died: January 12, 1999.

Alltel was the computer company that wrote the White House "Big Brother" computer system. Found shot to death with two guns. Multiple shots had been fired. Declared a suicide.

John Millis

Staff Director of the House Permanent Select Committee on Intelligence Committee

Died: June 4, 2000

Millis had just helped the HPSCI complete it's "investigation" into alleged CIA cocaine smuggling which predictably (given that Millis was himself a long time CIA agent) concluded that the CIA was innocent of all allegations of wrongdoing. Fairfax, Virginia police were tipped off by an anonymous phone call claiming that "a man" was threatening suicide in a motel room. Police arrived to find Millis dead of a gunshot wound. As was the case with Vincent Foster and Sandy Hume, the death was immediately declared a suicide.

Neil Moody

Died August 25, 1996

Following Vincent Foster's murder, Lisa Foster married James Moody, a judge in Arkansas, on Jan 1, 1996.

Near the time Susan McDougal first went to jail for contempt, Judge Moody's son, Neil died in a car crash. There were other reports that Neil Moody had discovered something very unsettling among his stepmother's private papers and was threatening to go public with it just prior to the beginning of the Democratic National Convention. He was alleged to have been talking to Bob
Woodward of the Washington Post about a blockbuster story. Witnesses said they saw Neil Moody sitting in his car arguing with another person just prior to his car suddenly speeding off out of control and hitting a brick wall.

**Tony Moser**

**Anti-Corruption Journalist.**

Died: June 10, 2000

Tony Moser, a critic of the Arkansas Democratic Party political machine, was killed as he crossed a street in Pine Bluff 10 days after being named a columnist for the Democrat-Gazette newspaper and two days after writing an article which exposed the looting of programs designed to obtain money from "Dead beat" parents to then give to their children.

![Image](https://www.whatreallyhappened.com/RANCHO/WEBPICS/TONY.jpg)

The police declared that no crime had been committed since the anonymous driver of the 1995 Chevy Pickup truck that struck and killed Moser was not intoxicated nor was he speeding. In Arkansas, that apparently makes it legal to run down a politically unpopular journalist.

**Paul Olson**

Head of Clinton's Gubernatorial security team in Little Rock.

Died: September 26, 1993

Gunned down in his car at the intersection of Chenal Parkway and Cantrell Road, near Little Rock. Parks was shot through the rear window of his car. The assailant then pulled around to the driver's side of Park's car and shot him three more times with a 9mm pistol. His family reported that shortly before his death, unknown persons were following them, and their home had been broken into (despite a top quality alarm system). Parks had been compiling a dossier on Clinton's illicit activities. The dossier was stolen.

When news of the discovery of Vincent Foster's body came over the news, Parks is reported to have said, "I'm a dead man." He had told his wife that Bill Clinton's people were "cleaning house," and he was "next on the list."

Jeff had information on the deaths of Ives, Henry & McKaskle. His burned body was found in a trash dump. He died of a gunshot wound to the head and there was some body mutilation, specifically that his hands and feet had been partially sawn off, leading to the speculation that he was tortured prior to being killed. Dr. Ronald Rogers

Dentist from Arkansas

Killed in plane crash as he was on his way to an interview with a "London Sunday Telegraph" reporter to reveal some Clinton dirt.

Charles Ruff

Clinton lawyer

Died: November 20, 2000

Charles Ruff was one of Clinton's attorneys during the impeachment trial and was known to have inside information on the White House emails scandal as well. Original reports were that he died in an accident in his home although no details were given. Then the report changed to claim that he was found in his bedroom unconscious, then declared dead on arrival at the hospital. The authorities will provide no details other than the usual (and quite premature) assurances that there was no foul play involved.

Col. James Sabow

Died: 1991

Supposedly about to blow the whistle on drug running activity taking place on the naval base where he was stationed, Col. James Sabow was found by his wife in the backyard of their home with his head blown off with a shotgun. The Navy ruled it a suicide. In all, more than 40 deaths by individuals concerned with drug traffic on military bases have been declared as suicides despite evidence that murder was involved.
Walter Scheib

Clinton White House Chef.

Died: June 13, 2015

Walter Scheib was hired by the Clinton White House and continued to serve the Bush administration. He was reported missing by his family when he failed to return from a hike. His body was found more than one and as half miles off of the trail he was supposed to be on, at the bottom of a river. No official cause of death has been released.

Barry Seal

CIA drug pilot

Died: February 19, 1986

Now known to have been a gun and drug smuggler for the CIA, operating out of the Mena airport, Barry Seal had reportedly kept in contact with Bill Clinton's head of security at the governor's mansion, Raymond "Buddy" Young, the ex rodeo clown who is now the number 2 man at FEMA.

Following his fall from CIA grace, Barry was sentenced to live at a Salvation Army Housing Complex by a judge who also prohibited Barry Seal to either have any guns or to employ any bodyguards. Corruption doesn't become any more obvious than this. Barry was gunned down with machine gun fire in the parking lot of the Salvation Army Housing Complex.

In violation of the court order, Barry had hired bodyguards who worked a rotation schedule. But the bodyguard who was to be there when Barry was killed never showed up. That bodyguard, according to video producer Daniel Hopsicker, was a former associate (meaning drug pilot) of Barry's named William "Bear" Bottoms. Bottoms prowled the internet insisting that there never was any drug running operation at Mena, Arkansas.

Robert Bates

Barry Seal's aircraft mechanic at Mena

Died: March 29th, 1995

Robert Bates supposedly died of an "overdose of mouthwash". Regarded by local authorities as an obvious homicide.
Bill Shelton

Arkansas state trooper and fiancée of Kathy Ferguson

Died: June 1994

Allegedly committed suicide by shooting himself at the grave site of his fiancée – Officer Shelton was the fiancée of Kathy Ferguson, who was the ex-wife of Trooper Danny Ferguson. Kathy Ferguson also supposedly committed “suicide” June 1994 when she shot herself in her living room. Oddly, next to the body were her packed bags, as if she was expecting to be going somewhere. Danny Ferguson was a co-defendant along with Bill Clinton in Paula Corbin Jones’s sexual harassment suit. Kathy Ferguson was reported as a corroborating witness for Ms. Jones.

Paul Tully,

Democratic National Committee Political Director

Died: September 24, 1992

Found dead in a hotel room in Little Rock Arkansas of “unknown causes.” No autopsy allowed. – Described by Clinton as a “dear friend and trusted advisor. Tully authored several key strategies for Clinton and the party. Paul Tully, 48, Democratic National Committee political director and architect of a strategy to make the party competitive again in presidential elections, was found dead in his hotel room on September 24, 1992, in Little Rock, Arkansas of unknown causes. Authorities speculated his death was from a heart attack or stroke. In a press release, then-presidential candidate Clinton called Mr. Tully “a dear friend and trusted adviser.” He said he was “deeply saddened by the loss.” Tully devised a strategy of targeting states based on their value in the Electoral College, and coordinating the presidential campaign with state and congressional races.

Paul Wilcher

Washington attorney investigating gun running out of Mena, Arkansas.

Died: June 22, 1993

Found dead on a toilet in his Washington apartment. No cause of death was ever reported by the coroner. At the time of his death, he was investigating connections between the “October surprise” during the 1980 federal election campaign and drug and gunrunning out of Mena,
Arkansas, as well as the BATF assault on the Waco, Texas Branch Davidians. Was planning on producing a television documentary on his findings. He had delivered a 105-page affidavit to Janet Reno detailing the evidence he had collected regarding the drug operation at Mena, just three weeks before his death.

Ed Willey

Gareth Williams

MI6 Agent

Died: August 16, 2010

Gareth Williams, an MI6 spy who worked on both sides of the Atlantic, engaged in some unauthorized hacking by breaking into Bill Clinton's database of friends and connections, ostensibly to give to a friend in the media. This breach caused a diplomatic nightmare for MI6’s new director, Sir John Sawers.

Gareth was found naked, padlocked into a sports bag, in his own bathtub. No fingerprints, palm-prints footprints or traces of William's DNA were found at the scene. The key to the padlock was inside the bag, underneath his body.

As usual, declared a suicide! The sheer absurdity of this claim provoked a public uproar, and the promoters of the suicide theory even went so far as to try to demonstrate how Williams could have inserted himself into the bag!
But even this charade failed to convince anyone and the police were finally forced to acknowledge William's murder, even to the point of admitting they had two suspects in the crime ... who were never arrested.

**John Augustus Wilson**

*Former Washington DC Council member*

Died: May 18, 1993

Wilson claimed to have info on Whitewater, a political controversy that began with the real estate dealings of Bill and Hillary Clinton and their associates, Jim and Susan McDougal in the Whitewater Development Corporation, a failed business venture in the 1970s and 1980s, and was willing to talk. Found hanged. Declared a suicide.

**Jim Wilhite**

*Vice Chairman, Arkla, Inc.*

**Theodore Williams, Jr.**

*Bettie Currie's brother.*

Died: December 16, 1997

Bill Clinton called Monica Lewinsky at 2:00 AM the next morning to tell her of the death and alert Monica that her name appeared on the Paula Jones witness list. Betty's brother had also been beaten shortly before Betty testified in a previous matter.

**Steve Willis**

**Robert Williams**

**Conway LeBleu**
Todd McKeehan

Clinton bodyguards

Died: February 28, 1993

"executed" by gunfire in the Waco, Texas assault on the Branch Davidians. – All four were examined by a "private doctor" and died from nearly identical wounds to the left temple, so-called execution style. According to Linda Thompson, videotapes and other evidence indicates that none died from guns fired by Branch Davidians. In his address to employees of the Treasury Department in the Cash Room on March 18, 1993, Clinton said: “My prayers and I’m sure yours are still with the families of all four of the Alcohol, Tobacco and Firearms agents who were killed in WACO -- Todd McKeehan and Conway Le Bleu of New Orleans; Steve Willis of Houston, and Robert Williams from my hometown of Little Rock. Three of those four were assigned to my security during the course of the primary or general election.” However, the Little Rock, Arkansas office of the ATF confirmed that all four had at one point been bodyguards for Bill Clinton, three while he was campaigning for President, and while he had been governor of Arkansas. In the videotape by the American Justice Federation, "WACO II, the Big Lie Continues," Linda Thompson demonstrates that 15 shots were fired from six separate weapons into and out of a room into which three of the four agents had entered through a window. Four of these shots were fired from an overhead helicopter, an agent outside the window, firing an MP5 submachine gun, who also threw in a concussion grenade, fired at least two shots into the room. In the autopsies of these agents, three had virtually identical wounds to the left temple that exited through the rear of the head, execution-style. A “private physician” treated all four.

Barbara Wise

Commerce Department Staffer

Died: November 29, 1996

As the scandals continued to swirl around the John Huang, one of Huang's associates, Barbara Wise, was found dead in her locked office on the fourth floor of the Department of Commerce, partially nude (by one report completely nude) and covered with bruises. No cause of death has ever been announced even though an autopsy was conducted (prior to next of kin being notified). Calls to the D.C. autopsist, Dr. Jaardemal have gotten an assurance that the bruises were not from being beaten but nothing else. Despite claims of ongoing illness, no record of a hospital visit in the months leading up to her death has surfaced. Oddly enough, following the discovery of her body, Bill Clinton made an unscheduled return to the White House from Camp David, claiming he needed a book of poetry in order to complete his inauguration speech.

Richard Winters

Suspect in the deaths of Ives & Henry

Died: July 1989

Winters offered to cooperate. He was killed by a shotgun blast to the face during a “robbery” which was subsequently proven to be a setup.

Dan Harmon, the Prosecutor who Winters reportedly made the offer to, was implicated in the Kevin/Ives deaths and was jailed for running his office as a criminal enterprise to extort narcotics and cash, proof that elements of Arkansas law enforcement were corrupted by drugs during Bill Clinton's tenure as governor.

Terrance Yeakey

First police officer to arrive at the Murrah Building following the OK City bombing

Died: May 8, 1996

Terrance Yeakey had collected together a vast amount of hard data on the bombing of the Murrah building. Terrance Yeakey's patrol car was found abandoned along a dirt road, the front seat covered with blood. Officer Yeakey himself was found a short distance away, with 11 cut wounds on both arms and two in his throat, plus a gunshot through the head. No gun was ever
found, and the death was declared a suicide. His material on the OK City bombing was never found following his death. His life had been threatened.

Sadly, the list goes on.....
